**AN ENGINEER'S EXPERIENCE.**  
Harry H. Adams, an American engineer, who was employed on a mining road in the State of San Luis Potosi, Mexico, has arrived at San Antonio after a terrible experience. He says that three weeks ago his train got beyond his control on a steep mountain grade and the engine and cars went over a precipice. Adams was caught under the engine and his leg badly smashed. He was thrown in jail and remained there without trial until a few days ago when he managed to escape. He was driven many miles across the country and finally managed to reach the border. He may not recover.

**NARROW ESCAPE.**—With the throttle wide open in an effort to cut down a two hours' delay, the Adirondack special, southbound on the New York Central, was speeding through the darkness during a thunderstorm 15 miles north of Poughkeepsie, N. Y., early Sunday morning, when a flash of lightning disclosed to the engineer's telegraph pole lying directly across the track hardly more than 200 yards ahead. The air brakes were applied, the engine reversed, and the train came to a stop within ten feet of the pole. More than 100 passengers were aboard.

**DR. BULL'S COUGH SYRUP.**—Will cure a Cough of Cold at once. Congers Croup, Whooping Cough and Measle Cough will fail. Best for Bronchitis, Hoarseness, Grippe, Pneumonia, Consumption and Lung Diseases. Gives quick, sure results. Price 25¢. Sold by Richard G. Muller and all druggists.

A surgical operation is not necessary to cure piles. DeWitt's Witch Hazel Salve saves all that expense and never fails. Beware of counterfeits. Sold by E. S. Leadbeater & Sons.
